

## SURPRISING SARA

Sara Romoli was born in Tuscany in Figline Valdarno and lives in New York. She has all that it takes for a career in modeling, but with a degree in law (summa cum laude) and a masters in criminology, she may have a far different future cut out for herself.

She's only 28 years old, and her curriculum vitae reads like a seasoned professional. She's an Aquarian, an air sign, with both feet firmly planted on the ground; a young lady full of surprises.

To her credit: her own website, a self-produced calendar modeling her own simple lingerie and an on-line video for her fans, both homegrown and American. *Sara Romoli's calendar images and her interview with Romina Ciuffa are viewable on Panorama's website: [www.panorama.it](http://www.panorama.it).*
